

# 660 QUAYSIDE DRIVE PROPOSED RIVERFRONT PARK PUBLIC OPEN HOUSE #2

Join us to discuss the future park located along the riverfront at 660 Quayside Drive! The proposed park site will be approximately 2.0 acres in size, and will be located west of Westminster Pier Park and between the proposed Pier West residential towers. At this second open house, the City will be presenting three design concept options based on the input that was collected at Open House #1 and through our online survey. We invite park users, residents, business owners and anyone who has an interest in the community to attend this open house.
